Summary of Change:

In Table 4 "Other," add to the "reasons for modification," "Make unilateral modification to any contract term as required by AMS in order to implement a statute, executive order, regulation, or other legal authority." Reference as the authority AMS clause 3.10.1-28, "Changes Required by Law."

Reason for Change:

AAQ requested a clause to provide authority for the FAA to unilaterally modify contracts when the agency is required to modify contracts in order to implement a statute, executive order, or other legal authority. The agency has had to make changes to existing contracts in recent years to implement mandates imposed by statute or executive order. The new AMS clause "3.10.1-28, Changes Required by Law" is added to AMS this quarter. This corresponding change to the "AMS Common Authorities" document references the new clause for the information of acquisition personnel.
